HAC Pharma

Together For a Healthier Future

Who We Are

HAC Pharma is a Saudi-based pharmaceutical company headquartered in Riyadh, operating with a global mindset. We coordinate virtual and operational offices across the USA, France, Egypt, India, and China to ensure agility, compliance, and uninterrupted access to healthcare solutions.

Our Philosophy

Access to essential medicines is a fundamental human right. HAC Pharma is driven by compassion, innovation, and responsiveness—bridging healthcare gaps while empowering systems and improving patient outcomes.

Mission & Vision

Mission

To deliver life-saving and life-enhancing pharmaceutical solutions by bridging access gaps, accelerating availability, and strengthening healthcare systems through innovation and regulatory excellence.

Vision

A region where every patient receives timely, reliable, and effective treatment, supported by an integrated pharma network driven by integrity and foresight.
